REPORT ON POSSIBLE EMPLOYMENT OF OSIPOV
AFTER ASSUMPTION OF U.S. CITIZENSHIP

From: NEW YORK

To: MOSCOW

No: 750

VICTOR.

In connection with OSIPOV's taking ~~the~~ U.S.
of the COUNTRY [STRANA] [i] we advise: OSIPOV endeavoured to
get through his connections in CARTHAGE [KARTHAGA] [ii]
(Senator GUFFSY [iii], Princess KATHARINA [iv] -- GRANT's
[v] granddaughter, EARLIE [vi]) a position in the BANK [vii].
[His] [a] knowledge of languages and the countries of EUROPE
will help him to consolidate himself there and in time to
arrange for himself an interesting spot. In a conversation
on these matters O. declared that first of all it behoved
[him] [a] to declare to his wife that he had broken with us,
for she is a great patriot of the COUNTRY and his working at
the BANK and simultaneous co-operation with us "[she] [a]
might look upon [D] as contradictory". If from some causes
or other a placement in the BANK should not work out, he will
try to get in "IZBA" [viii]. In case he cannot enter
government service he will secure an appointment with a firm
[3 groups unrecovred] to the PROVINCE [PROVINTSIYA] [ix].
O. again adverted to the question of his taking our citizen-
ship, irrespective of [D] the fact that he is asking for ~~the~~ ~~acquisition~~
~~the citizenship of the COUNTRY~~. Telegraph instructions.
